

# fashion the future

**Suzanne Tick, Textile Designer**

**SATURDAY, MAY 15 • 6:00PM**

**“Fashion the Future” Cocktail Party, Fashion Show & Silent Auction**

A high-fashion runway show that will showcase wearable futuristic garments using industry-related product materials. (“Fashion Forward” Cocktail Attire Suggested.)

**Master of Ceremonies: Suzanne Tick, Textile Designer**

**Fashion Show Judges: Derrell Parker, Suzanne Tick, and Annabelle LaRoque.**

Take part in our Silent Auction, displaying the talent of our design community. Proceeds will be donated to our Carolinas Chapter.

*Suzanne Tick currently heads up Suzanne Tick Inc., specializing in material development for commercial and residential interiors, including textiles, hard surfacing, carpet, woven metal screens, and lighting. Her clients include KnollTextiles, with whom she has worked since 1995 and where she is currently responsible for a large portion of their vertical fabrics. Over the years, Suzanne has been design director, and/or created product for Interface, Inc. and their Bentley and Prince Street brands; Boris Kroll; Tufenkian; Brickel Associates; Unika Vaev; and Groundworks, a division of Lee Jofa. As a consultant to Tandus, Suzanne develops product strategy, creates vision, and designs and develops new product.*
