# TABLE OF CONTENTS

As the year draws to a close, we extend our deepest gratitude to our invaluable benefactors. Your unwavering support has been the driving force behind our successes this year. Through your generosity, we've been able to make a significant impact in the design community both at the city center level and campus center level. Your belief in our mission has not only elevated our organization but has also touched the lives of those we aim to support. As we reflect on the past year, we are filled with gratitude for the positive change we've been able to create within the community.

**Thank you** for your unwavering commitment and partnership and now it is time to showcase each and every one of you!

Milliken™

## A TRUSTED NAME WITH A TRUSTED MISSION

Milliken is more than just a floor covering company—it's a team of devoted and experienced individuals dedicated to delivering high-performance floors that are beautifully designed without compromising your wellness. With a strong emphasis on innovation and sustainability, Milliken has set the standard for forward-thinking practices within the industry. Their unwavering commitment to excellence has made them a trusted name in the flooring industry.

When you choose Milliken, you're not just getting floors. You're getting a dedicated group of individuals who are passionate about their product and who are always improving. You're receiving reliable and trustworthy service. You're investing in floors that exceed average and break the mold of 'good enough.'

**YOUR COMPLETE FLOORING SOLUTION.**

#### THE CAROLINAS TEAM

Four dedicated individuals make up our Carolinas team. Full of passion and experience, this team is prepared to serve you and your project needs.

# COLOR RUSH

## Product Spotlight

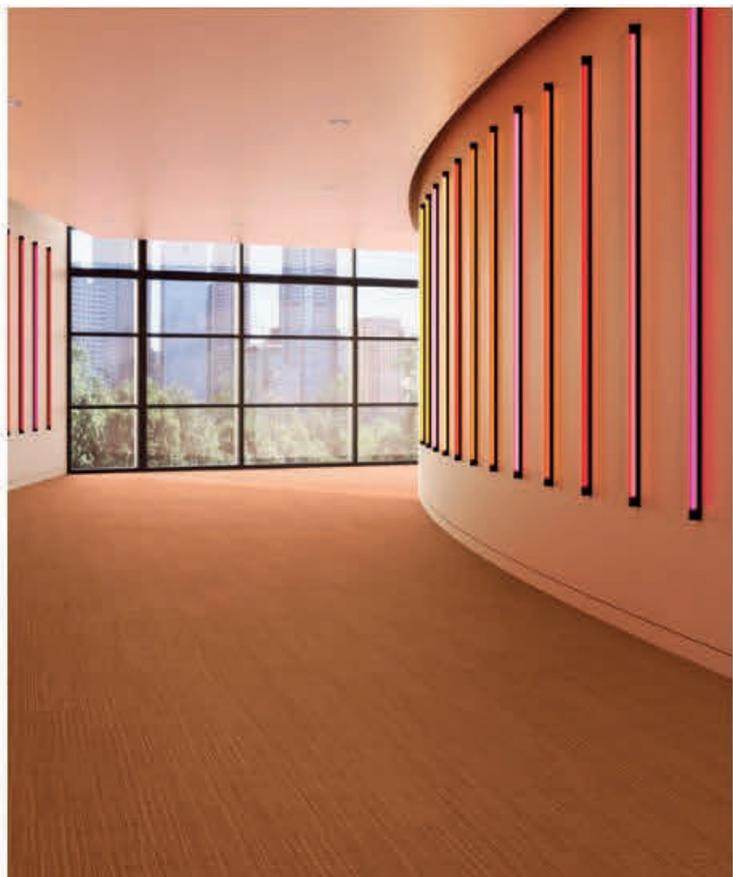

### BEGIN THE JOURNEY OF STUNNING FLOORS

---

Design invigorating environments with the Color Rush collection. The objective is simple: to propel people, ideas and possibilities forward. This environmentally conscious collection is both sustainable in its composition as well as style. With 2 patterns and 18 colors, this selection of floor coverings will set the tone for a dynamic environment, no matter the application.

# LOST SIGNAL

## ELEVATE THE ELECTRIC APPEAL OF YOUR FLOORSCAPES

---

Bring a new level of depth to floorscapes through evocative, nostalgic motifs. Taking inspiration from the allure of neon lights and vibrant colors, this collection brings high-energy retro design into the present day. Step into a dreamlike landscape and electrify your interior spaces.

**A FLOORING REVOLUTION:**

*Pioneering the Way  
for PVC-free Flooring*

Healthy materials are the foundation for effective circularity, reducing community pollution and cleaner living for all.

The Living Building Challenge *Red List* contains "worst in class" materials, chemicals, and elements known to pose serious risks to human health and the greater ecosystem. *Red List Free* certification is the absence of Red List chemicals in building and home furnishings. Our products have been *completely vetted and verified* to contain **no** Red List chemicals at levels at or above 100 ppm or 0.01 percent. In the past 2 years, we introduced our first PVC-

free Resilient floors—Merge Forward and Mesa. Now again in 2025, we have introduced our third collection En Plein Air. These collections are the frontrunners for PVC-free resilient floors, offering superior scuff and stain resistance with ambient noise control without compromising your health.

Achieving LBC Red List Free in our flooring is a commitment to significantly cut down on the output and use of harmful chemicals. It reflects our company's prioritization on human health ensuring a brighter future for generations to come.

Scan to learn more about our commitment to sustainability.

Teknoflor

UMORE Floor & Wall Tile

tekt

A modern conference room with a large screen, a long table, and several orange chairs. The room features a light-colored wood floor, a grey carpet, and a large window with a view of a city. The word "nion" is overlaid in white text on the left side of the image.

nion

## introducing figure

Designer Alyssa Coletti is making waves with wood. In her first collection for Teknion, supple curvature and thoughtfully intersecting planes combine to create Figure, a family of elegant wood conference tables and complementary sideboards.

Figure perfectly balances Coletti's design vision with Solutions' deep woodworking expertise and craftsmanship capabilities. Comprehensive and scalable, Figure tables lead with gracefully softened edges and framing details, unique edge profiles, and base styles that highlight the beauty of natural wood, while also supporting the need for electric and technology integration.

Congratulations to Alyssa Coletti on receiving an additional HiP Award for HiP Product Designer.

teknion

# reddot winner 2025

## cosi laptop table

Versatility took centre stage in the development of the Cosi Laptop Table. Crafted in collaboration with the Pearson Lloyd design studio, this work surface is intuitive to use and can be flexibly adapted to different requirements. The lightweight and easily portable table is height-adjustable, and the tabletop can be tilted to ensure a better view during presentations, for example. A lip on the front edge prevents the laptop from slipping, and a stand on the back provides space for mobile devices.

### Statement by the Jury

The Cosi Laptop Table impresses with functional details such as the table base, which is shaped in such a way that it offers plenty of freedom of movement in different sitting positions.

teknion

IIDA  
SHOWROOM AND  
BOOTH DESIGN  
COMPETITION  
**WINNER**  
2025

## iida showroom and booth design competition 2025

Studio TK's winning pop-up 2nd Floor Mezzanine reminds us why making space to belong matters.

Making Space to Belong is creating a workplace where communication obstacles are eliminated, and other people's ideas are valued. When we invest time in one another through team bonding experiences, we go beyond just having fun! We create shared memories, improve the way we interact, and create connections that improve overall morale.

# Elevate Your Experience

For over 158 years, we've grown by making partnerships our top priority—offering insight to define your needs, innovative solutions to achieve your goals, and dedicated support to deliver exceptional results.

## Designs That Tell Your Story.

We have designed all of our flooring products to work together seamlessly, making it simple to craft the right solution for your space.

Crafted with Purpose®

Our Newest Carpet Collection  
Wild Threads

Wild Threads draws from the quiet rhythms of the natural world, where movement, texture, and time shape the landscape. Inspired by the way roots weave and water flows, this collection captures the organic beauty found in nature's imperfect patterns. Earthy tones ground each design, creating a sense of calm, connection, and balance. Soft underfoot and rich in depth, Wild Threads brings the subtle poetry of the outdoors into modern interiors.

Made in the USA

# Designing responsibly, together

---

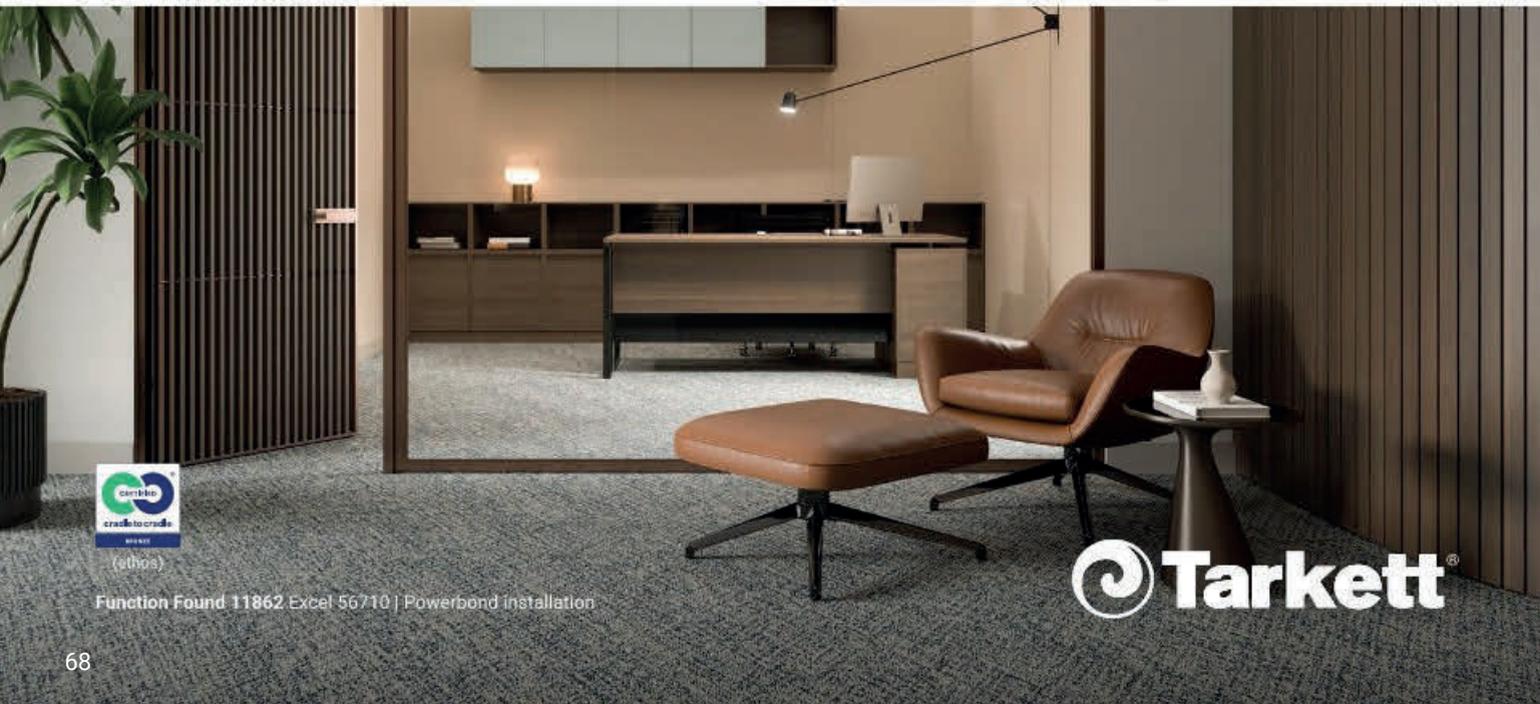

Thank you for your dedication to shaping spaces that go beyond aesthetics—environments where people live, work, learn, and thrive. Your creativity not only transforms interiors but also strengthens the communities we share.

At Tarkett®, we're proud to stand beside you, committed to sustainable solutions, innovative design, and lasting partnerships. Whether you want to share your vision, ask a question, or explore new possibilities, our team is here to listen, collaborate, and support you.

Together, we can create beautiful spaces that make a positive impact—today and for generations to come.

With gratitude,

***The Tarkett Carolinas Team***

## **NEW! Mipolam Planet**

The Original Mipolam since 1937:  
Built on 80+ years of expertise, it's  
still the most durable in its class with  
a life expectancy of over 20 years.

Make your space work®

**HON**®

### **Ignition 2.0**

With options like 4-Way Mesh and the vibrant, dynamic Spectrum Mesh, Ignition brings both comfort and personality to any workspace. And with coordinating chairs for guests, community spaces, and more, Ignition is the leader of the pack when it comes to affordable style, support, and performance.

## Etch

Etch is meant to leave a mark. Its sculpted shape and signature back detail bring a sense of polish to any environment. With options that stack, swivel, or perch, Etch has a solution for many different roles. It's agile enough for conference rooms, cafes or classrooms—and steady enough to unify them all. A curated color palette adds just the right expression—fresh tones that feel intentional, not institutional. Wherever it goes, Etch adds purpose to the plan and precision to the space.

## Confer

If you're like most busy people, you've got more than a few things to negotiate throughout the day—but comfort shouldn't be one of them. Confer—HON's sculptured, mid-century modern approach to guest seating—has a persuasive offer on the table. Not only does this graceful chair pair beautifully with the HON case goods portfolio, it lends a retro-contemporary aesthetic and reliable durability to a variety of spaces.

# MDC INTERIOR SOLUTIONS

## SINGLE SOURCE TOTAL SOLUTION

MDC is dedicated to providing personalized solutions that cater to your unique needs from the start of a project to tenant occupancy. Our nationwide service is not only backed by a team of product knowledge experts but also enhanced by dedicated Account Executives who are here to offer you personalized service, aiming to save you billable hours by ensuring support no matter where your project is located. We offer competitive pricing programs, making high-quality interior solutions more accessible.

Our Single Source Portfolio encompasses everything from leading-edge design finishes to acoustic performance materials, enabling the creation of functional spaces with both aesthetics and performance in mind. In addition, MDC extends comprehensive support for the products we carry, including detailed installation guides, AutoCAD and Revit files, project management, and technical support to facilitate seamless project execution. As your complete solution for every interior need, our commitment is to provide you with the support and resources you need at every step of the way, ensuring your projects are completed efficiently and to the highest standard.

Coming Soon

At Mecho, we believe in the power of leadership to elevate sustainability. Through Ascend, we are committed to advancing technology, minimizing our environmental footprint, and inspiring a sustainable future.

Guided by the core values of Innovate, Optimize, and Thrive, Ascend propels product innovation, enhances operational efficiency, and empowers a culture of growth and well-being.

## Innovate

We develop high-performing products that push industry standards using smart systems, advanced materials, and proven excellence.

## Optimize

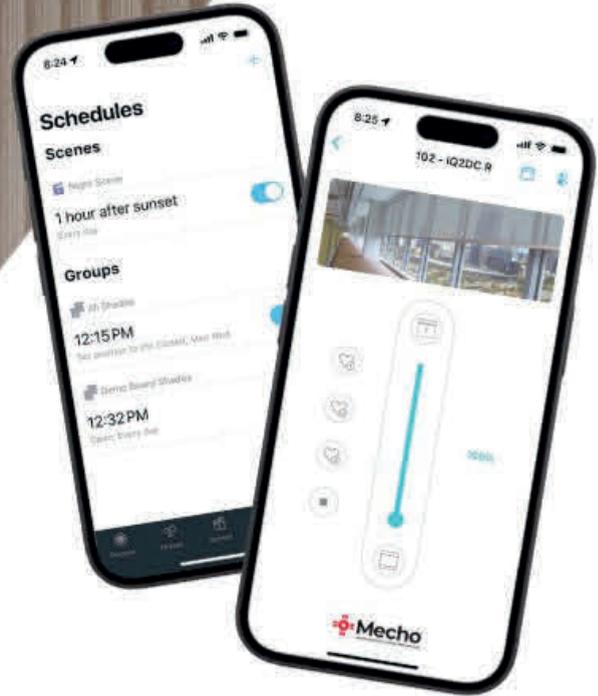

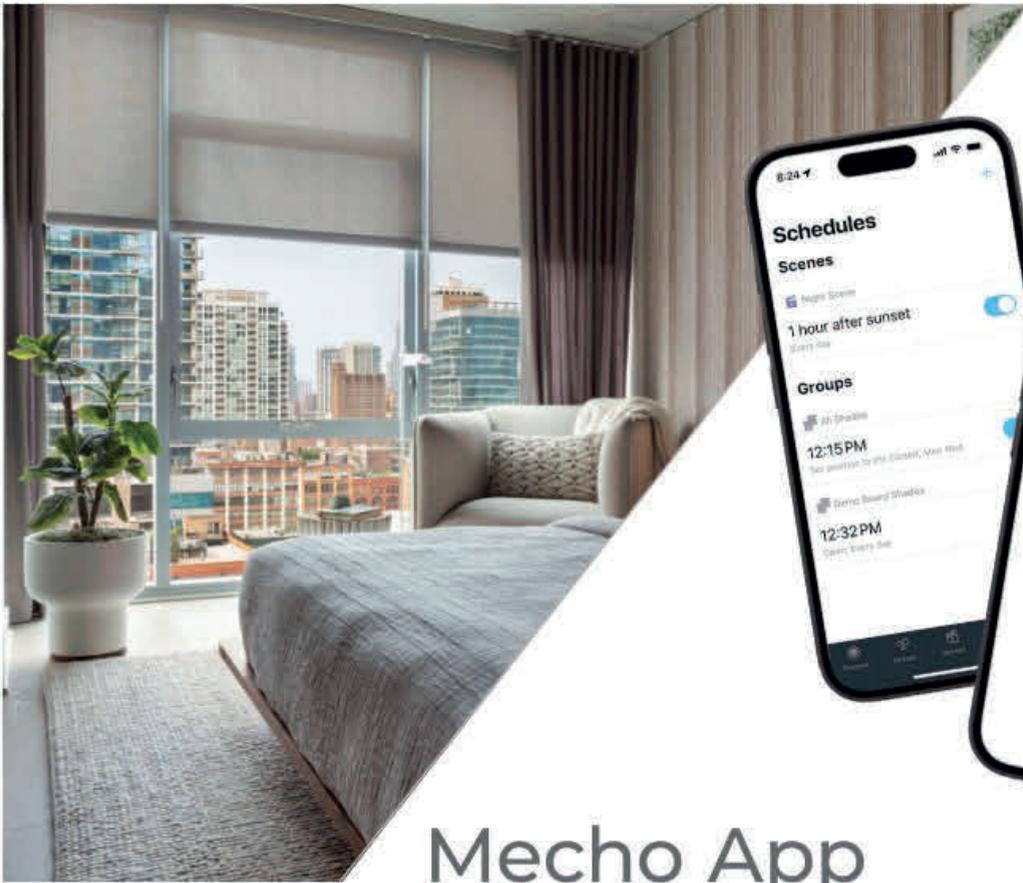

By optimizing production, reducing resource consumption, and embracing circular economy practices, we're building a more efficient, accountable future.

## Thrive

We empower our team, inspire industry collaboration, and invest in the communities we serve to drive meaningful impact.

## MultiSensory

The MultiSensory collection explores the varying degrees of texture that make us reconnect with our tactile senses and fulfills our aspirations for feeling connected to the touch and feel of nature. This collection offers a breadth of carpet styles that invite relaxation, provide emotional warmth, and contribute to comfort and wellness. These textures are earthy, grounded, and ensure tactile interest.

## Color Harmony

With Color Harmony, you do more than speed up your flooring color choices. You accelerate your design process by working with one manufacturer and one point of contact. We can help you streamline your work even further by pairing your flooring with Pantone colors as well as colors from popular paint brands. Matching your flooring with Color Harmony can help you create unified designs fast.
